

## SUPPLY LIST FOR DIAMOND IN THE ROUGH WORKSHOP

- \*Sewing Machine in good working order
- \*Thread, scissors, rotary cutter, seam ripper
- \*Ruler ( to cut strips at 1 ½" and 2" wide X WOF )
- \*COZY QUILT "STRIP TUBE RULER" CQD05001 (cutting triangles)
  
- \*8-10 **different** strips of batiks that "read" green (1/8-1/4 yard each X WOF)

"	"	blue	"
"	"	purple	"
"	"	brown	"
"	"	gold	"

**NOTE:** You can use Fat Quarters **BUT**...you will only get 2 triangles from every 22" long strip. More cutting—more work.

Pick batiks that read one color more than multi color. They can be prints with a different color...as long as you see it as one color..

EXAMPLE: It has enough purple in it to read purple

It has enough blue in the background to read blue.

Two color, high contrast will not work...Example: Blue and white

They can be different color tones, (dark blue, dusty blue, sky blue) blenders and tone on tones.

The pattern will be free for those signed up for the Workshop.

Packages of 8 - ¼ yard cuts in blues, greens, purples, golds and browns will be available for purchase if you find your "Stash" has some missing colors.

There will be a limited amount of random strips of batik available **free of charge** for "exchanging "or filling in.

We will be "playing " with colors and the "quilt police" will not be there so.....look forward to having some fun!!
