

48" x 66" excluding the border

# Galaxy Stars

66" x 66"

**This is a fantastic quilt for scraps!**

This photo is different than what is offered in the pattern.

This is bigger than the lap with no borders, but smaller than the cover picture.

The supply list is for this quilt. In the ( ) is the requirements for the blue and green quilt.

## Class Supply List

(A workshop with Sandy Corbin

- "Galaxy" pattern by Iowa Star Designs \$10.00 each (***I will have them for purchase.***)
- 3½ yards - BACKGROUND (black photo) - (2 yards for the blue & green quilt)
- 3 yards **total** for STARS - Approximately 50 — 2" strips of fabrics the bigger the variety the better!  
They do not need to be 40" long pieces. Scraps work well.  
(2 yards total scraps for the blue & green quilt)
- ¾ yard - binding - (1/2 yd. for the blue & green quilt)

Bring all your sewing supplies: machine, scissors, thread (neutral), pins, sharp pencil, 6" x 24" ruler, 6½" sq. ruler (or 8" sq.), rotary cutter and a cutting mat. Yellow Highlighter.

## PLEASE DO THE FOLLOWING BEFORE CLASS - - - - -

Cut your **STARS** FABRICS into 2" strips. These are cut across salvage to salvage on the fabric. ***They do not need to be 40" long! 2 x 4 will work.*** Any length can be used.

### NOW — FROM THE STARS FABRICS

Cut **36** - 2" squares. Cut one from each fabric. If you do not have 36 different fabrics cut from each - to total 36 squares. (adjust if you are doing the 2 color quilt)

Cut **8** - 2" x 5" rectangles from a variety of fabrics (adjust if you are doing the 2 color quilt)

Cut **8** - 2" x 3½" rectangles from a variety of fabrics. (adjust if you are doing the 2 color quilt)

### FROM THE BACKGROUND FABRIC

Cut 2 strips at 5". Sub-cut 1 strip into 8 - 5" squares and the other into 2" x 5" rectangles.

Cut 1 strip at 3½". Cut into 2" x 3½" rectangles. (*Approximately 20 @ 2" each per strip.*)
