

Intermediate Machine Appliqué:

using Wash-Away Appliqué, Hole Punches, and Bias Bars

Instructor:
Nancy Rink of Nancy Rink Designs

Workshop date:

Workshop Description:

Using a block (see above) from Nancy's *In Remembrance* quilt, which is featured in her book *El Camino Real: Quilts Inspired by Early California History*, students will work with the Wash-Away Appliqué product, hole punches, and bias bars to prepare the patches for appliqué. Nancy will share her time-saving techniques that help you avoid drawn-out hand appliqué processes without sacrificing quality stitching. Efficiently cut and address the templates, glue-baste perfect circles and sharp points in deceptively simple techniques, then machine-stitch your motif to the background for heirloom-quality results.
