Hi Ladies,

It's almost spring, the weather is getting warmer, and I'm looking forward to our March meeting and workshop with Peggy Martin teaching. Peggy has a beautiful Mariner's Compass block to share with us. As a reminder the meeting will be held on March 3rd with the doors opening at 1pm the meeting beginning at 1:30.

We are coming toward the end of this year's FQG board term and we're in need of a nominating committee. The nominating committee helps to find and bring forth new board members. Several of our key board positions will be available. If you are on the nominating committee you can't be nominated for a board seat. Please volunteer to either take on a board position or be on the nominating committee. Let's keep our quilt guild active

With best regards,

Frannie Marr

From the Programs Team

February's visit by Wendy Mathson (right) was a great way to kick off 2022. Wendy was so impressed with our guild, especially the workshop participants. Hopefully, some of them will be ready to share what they accomplished that day.

For March we have the pleasure of hosting Peggy Martin for both a program and a workshop. Peggy is well-known for her quick strip-piecing methods. She has taught all over the country—Paducah, Houston, Road to California, and many more. Her workshop will be the strip-pieced Mariners Compass, a seemingly difficult pattern Peggy has made fun and simple. Please consider joining us March 3 for her program and March 5 for the workshop.

See you all soon,

Ann

News flash

Be sure to bring money \$\$\$ to the next guild meeting; why you ask? Because we are having a fantastic book sale. It seems that in our storage cupboard, in the community center where we meet, a stash of books that were thought to be gone has reappeared, and the board has decided to sell them. Come early and grab any and all of the ones you need, want, or have loved and would like to pass on to a friend.

This is a “one night”—or make that a “one afternoon”— sale after which all books will be donated to the library.

Fallbrook Quilt Guild Meeting Minutes
February 3, 2022

The meeting was opened by President Frannie Marr at 1:30.

Ann Turley introduced the program for next month featuring Peggy Martin. She then introduced today’s speaker, Wendy Mathson, who will speak on her techniques for the Storm at Sea Quilt.

After the break, President Frannie thanked the volunteers and reminded members that we need a nominating committee for a slate of officers for next year.

Membership report was made by Linda Rosensteel. We currently have 84 members, 3 new members registered today, and there were 33 members in attendance today.

The Opportunity Quilt report was made by Penny Bottomly. It will be on display at the Hemet Quilt show this weekend. She also reported that there are plans for a quilt retreat in Temecula in the near future.

There was no other business. Drawings followed.

Show and Tell followed. Participants included Frannie Marr, Karen Johnston, Jewell Burke, Paula Manning for Nora Fusco, Linda Rosensteel, Cindy Stephen, Sheryl Kaplan, Sharon Boehm, Ann Turley, and Barb Anderson.

Respectfully Submitted,

Introducing Our Friendship Groups!

The Sew 'n' Sews II

The Sew 'n' Sews II (otherwise known as the Sew 2s) friendship group includes Chris Brewer, Jewell Burke (missing from the photo), Carol Carpenter, Denise Cohen, Ardis Duhachek, Ann Harris, Gayle Luczyk, Diana Rash, Sandy Scott, and Ann Turley. The group meets the second Friday of the month at each other's homes and occasionally takes a road trip.

In March they are planning a trip to Temecula to see the rug-hooking exhibit at the Temecula Valley Museum, followed by lunch and perhaps a trip to one or more of the quilt shops in Temecula.

They will also start a special project they've chosen as a group, called a round robin. Each person will bring something to use as the center of their project, along with an idea for something to be used for the following rounds. A round can consist of all four sides of the center, the top and bottom or two sides of the center or adjoining sides (connecting at one corner).

The idea for the first round will be drawn from a hat at the meeting in March, and each person will make that round for their own project before the meeting the following month, using the technique drawn (i.e., stars, flying geese, storm at sea).

At the April meeting, each project will be shown, and the next round will be drawn. For May, each member will have completed the second round for their project and bring it to show the others. And so it will continue until finished.
