

Fallbrook Quilt Guild Newsletter October 2018

President's Message

Hi Everyone,

Isn't October wonderful? The promise of pumpkins, crisp cooler weather and pretty autumn leaves to enjoy.

I had a chance to attend the San Diego quilt show in September and as always it was a remarkable display of beautiful and inspiring quilts. I even came home with fabric and a few patterns, imagine that?

We have welcomed quite a few new members to our guild recently. Please reach out and say hello to these ladies, it's great to meet some new friends.

Collette Ford has some great speakers and workshops lined up for October and November. Please take a look at what's coming up and join us for a chance to learn something new. How are you all enjoying Ann Turley's mystery quilt? It is going to be quite something, can't wait to see what you all have done with it.

Happy Fall and good quilting to one and all!

Sylvia Williams

Meetings and Workshops for 2018/2019

October 4, 2018 Tina Curran presents "My Design Process –From Concept to Quilt"

The purpose of this talk is to share Tina's design process, step by step, highlighting the inspirations and obstacles that pop up along the way. Her hope is that this talk will demystify the process for others and encourage them to start designing their own quilts.

October 6th "Whimsical Garden" workshop with Tina Curran.

Good news!!! Tina Curran graciously agreed to extend the time for workshop sign-ups until the evening of our meeting on October 4th. We need ten paid registrants to hold the workshop. So, if you want to attend this fun workshop, please plan to sign up and pay the registration fee at the October 4th Guild meeting.

Tina Curran presents "Whimsical Garden"

This workshop involves making a pieced background, fussing cutting flowers (from floral fabrics), adding cut stems, and then fusing down & raw edge appliquéing all the flower heads and stems to the background fabric. The class project finished at about 24" x 24". The class supply list is at [Whimsical Garden Supply List](#)

November 1 Heidi Stagno presents "Hints for Successfully Quilting Your Quilt"

You've finished piecing your beautiful quilt top. Now you are faced with how to quilt it. Join Heidi, owner of Heidi's Longarm Quilting Center, as she shares the elements she considers when deciding on how best to enhance the quilt top through the quilting.

November 3, 2018 Heidi Stagno Workshop: "Rulers, Templates & Stencils"

A little bit of ruler work goes a long way. Enhance your free-motion and feathers with some straight lines. The refined quilting makes the quilt pop! The contrast between the clean straight lines and the movement of the free motion makes for a high end show stopping look.

OCTOBER MYSTERY QUILT INSTRUCTIONS—Ann Turley

Building Blocks

You have made all the units necessary to construct the blocks, and after this month's installment you will finally get a hint of what they will look like. For each section you will need ONE four-patch unit, ONE dark #1 2-1/2" square and TWO matching or coordinating pointies. Referencing the photo for color placement, make **36 units**.

SCRAPPY – pointies should either match or color coordinate. **PLANNED FABRICS** – pointies will match, dark square should be the same fabric as the four-patch. Be mindful of placement of the pointies!

That's all until November.
