Fallbrook, CA 92028

Dear Fallbrook Quilters:

Recently we received two bags of hand-made baby quilts that your group donated for our military newborns.

The baby quilts are always greatly appreciated and will keep our newborns warm and cozy. As they visit the wards, our hospital volunteers distribute the quilts to our newest military family members. The new parents just love this first "birth-day" gift for their baby.

I extend my gratitude to your group for brightening the lives of our military during the trying times they are facing with war and being away from their loved ones. We ask that you keep them in your thoughts and prayers.

VICKI K. MILLER
Treasurer,
