

# *Spinning Stars Tabletopper*

*Supply List*  
27" x 27"

*Debbie Gordon*

This wonderful Tabletopper is so much fun to make! You can use a controlled palette of color by using 2 fabrics for the stars, or you can 'scrap-it-up' like the Sample. Using strip-piecing techniques, you will have this Tablerunner done in no time! You will also learn a terrific assembly method plus lots of other tricks and tips from Debbie to use in all of your quiltmaking.

## *Fabrics*

All fabrics should be first quality, 100% cotton, [I prefer pre-washing prior to use] Please choose any colors you would like. The color notations listed below are simply for you to identify where in the 'Sample' the colors appear.
