

MYSTERY QUILT AUGUST INSTRUCTIONS

And away we sew!

Many of you have told me how anxious you are to start sewing, and that is exactly what we will do this month. For those making a scrappy version, using your light 2½” squares and your dark #1 2½” squares, make 36 four-patch units. Press everything to the dark and bag them together for later.

For those using yardage, sew a light 2½” strip to a dark #1 2½” strip, press to the dark. Square up the left side short edge and then cut 2½” pieces from the strip. Continue with your pieces strips to make the four-patch units.

Next month, we will sew again.
