

FEBRUARY MYSTERY QUILT INSTALLMENT
BORDER UNITS

1. Using the remaining $4 \frac{1}{2}'' \times 2 \frac{1}{2}''$ light rectangles and the remaining $2 \frac{1}{2}''$ squares, make **96** pointies. First, press the squares in half diagonally. Place on one end of the rectangle and sew along the pressed line and press open. *Take care to place each $2 \frac{1}{2}''$ square on the same end of each rectangle.*
2. Pair up the rectangles, long edges together. Flip the top rectangle left to right and sew together. You will make **48** border blocks.
3. Refer to the photo below for clarification.

Are we having fun yet? I hope so!
Happy Quilting,
Ann Turley
