

February Block of the Month 2008

Fallbrook Quilt Guild

Fold each shape on curve to find center. Line up centers with L shape on the bottom. Align top and bottom and pin. Use $\frac{1}{4}$ " seam allowance. Sew to center pin, remove it and sew until about an inch from the end. Grab both ends of fabric and sew to the end.

We used batiks from
Quilter's Cottage
and the 7 inch template
of Elisa's Backporch.
For more info, call
Betty at 728-9351.
