### Sewing instructions:

Referring to block assembly diagram, join color triangle-squares and white units in horizontal rows, turning triangle-squares as shown. Join rows to complete one each of sections A and B. Add ribbon stem to section B before joining sections. Center ribbon over section B center seam (between units 6 and 7), extending ribbon to bottom of unit 1. Topstitch down one side of ribbon, pivot block, and stitch opposite side. Join sections A and B to complete the block.

Enjoy the seeds of your efforts!
