Message from the President

Hello to my fellow Fallbrook Quilt Guild members and friends. 🌞

This will be my last newsletter message to all of you! I have truly enjoyed the last two years of the guild presidency and I want to thank everyone for their help, encouragement, and support for these two years. It has been a great opportunity to meet so many new friends and to get to know some of you much better.

This June meeting is going to be quite busy but there are lots of fun things going on. Our *Roll With It* Challenge will finally end and I think you will see some amazingly creative projects in the entries. Our potluck dinner is always fun and filling and I hear Ann has a game. She is so creative! We will end with the initiation of the Officers for the next guild year, 2024/2025. We will be holding the drawing for our Opportunity Quilt also. Big happenings this month!! The newsletter has all the information you need to know.

Remember to bring your projects to share.

Our next guild meeting will be Thursday, June 6, 2024. We will meet, as usual, at the Fallbrook Community Center on Heald Road. The doors will open at 5:30pm and the meeting will start at 6:00pm.

The next FQG Board meeting will be Wednesday, June 12, 2024 at the Fallbrook Regional Health Center on East Mission Road starting at 1:00pm.

Enjoy your craft and appreciate your talent! ❤️

FQG Outgoing President

Message from the 1st VP

I hope you all enjoyed Anne Sonner's presentation last month that covered her journey from traditional to modern/art quilts. From what I heard, the workshop was a lot of fun.

The annual summer potluck will conclude my term as 1st VP and I want to tell you what a pleasure it has been to serve the guild in this capacity. I truly enjoy planning the meetings, choosing speakers and events I think most everyone will enjoy. With that in mind, I do have something planned for June that I'm sure you will enjoy. Along with the CHALLENGE UNVEILING, there will be a second activity that will keep you on your toes. And as was revealed in May, I am staying on in an informal position working with Penny to provide games and fun events throughout the year.

The Challenge unveiling this month should be exciting. As you know, participants were each using one of three different themes, colors and blocks. I hope to display everything on the available stands and tables. Mara Wood and Carol Carpenter have agreed to act as judges while you, the membership can vote on your favorite quilt overall. A small prize will be awarded in each theme category.

Happy Stitching,

Ann Turley
1st Vice President

Messages from the 2nd VP

2nd VP Reporting

Our last speaker, Anne Somers, gave us lots to think about in her program but really got the class not only thinking outside the box but actually doing "outside the box" quilting. Hopefully everyone will bring their creations to the next meeting to share their work, finished or not. Hint Hint.

*******July Meeting News*******

Since our next regular meeting falls on July 4.....and the following week the community center is already booked....and we just can't miss getting together....we are having a special event...
And EVERYONE is invited!!

**Please join the Fallbrook Quilt Guild at their
July Quilting Event "Honoring Our Veterans"**

**Fallbrook Regional Health Facility
1636 E. Mission Road
July 11, 2024 at 1pm**

We will meet the invited veterans, and possibly their families, as we present them each with a quilt, as a small token of our thanks for their service to our country.

Refreshments will be served and patriotic attire is encouraged.

A LITTLE HELP NEEDED

I have a number of quilts to be given at the Veterans party that need binding. They are throw-sized and can be done all by machine – no hand work necessary – unless hand work is what you enjoy. If you need directions to do them by machine I will gladly share that technique with you.

We also need help setting up the room where the party will be held; I will have a sign-up sheet for that at our June Meeting.

From Penny and the guild board.

Penny Bottomly

2nd Vice President
